PLEASE NOTE:

It is essential that all customers are able to manage the steps necessary to board a coach either unaided or with the assistance of members of their own party. If you or a member of your party is travelling with a walker or a wheelchair, please note that these must be fully collapsible in order to be accommodated in the luggage compartment of the coach and weigh less than 15kg. Due to weight restrictions on our coaches, we unfortunately cannot accommodate electric wheelchairs/scooters, either on the outbound or inbound journey. Passengers may be able to hire electric wheelchairs/scooters during their stay and they are able to take these on the excursions, so long as the heaviest piece weighs no more than 15kg and the electric wheelchair/scooter has a brake which can be applied when the coach is moving. Please note that the passenger will be responsible for the electric wheelchair/scooter and drivers cannot be held responsible for loading/unloading.

GRAYWAY

A Bit of our History

The Grayway business can trace its roots back to 1933 when it started as Gray Brothers. Subsequent take overs were concluded by being absorbed by the then Shearings business and the emergence in 1969 of second-generation company, JRG Enterprises, which was run by Jimmy Gray.

When Mr. Gray's son, Michael, became a director at the age of 21 in 1978, the Grayway name was adopted for the firm. Grayway operates coaches from its depot in the Wigan area. Its headquarters was previously based in Frith Street, Wigan, and the firm's current principals are Michael Gray and his wife Janet Gray who is also a company Director.

Michael and Janet's son David joined the business in 1998, along with their daughter Helen in 2012. In 1999 Grayway Coaches of Wigan acquired Walls... also of Wigan. Coincidentally both businesses are third-generation, family-owned firms. Grayway coaches took over the company's vehicles, office, garage, tour programme and staff. Founded in 1926, Walls travel where a very well known coach company in the Wigan and surrounding area.
